“YOU’D BE SO NICE TO COME HOME TO.”

Nestled in a quiet, wooded two acre lot with a stream and pond views, the character and craftsmanship of this French Eclectic house are indisputable. The home incorporates the rustic and casual design of French farmhouses and country cottages so admired by returning World War I American soldiers. Its classic detailing and formal features reflect the inspiration of American architects who studied in Paris in the 1920s.

Your In-laws, Au-Pair or other long-term guests will love having their own private Carriage House quarters.

The relaxed elegance and modern amenities of this inviting home makes it perfect for casual celebrations or formal fêtes.

TRES MAGNIFIQUE!
