

MCENEARNEY PROPERTY MANAGEMENT FALL/WINTER 2017

The seasons seem to be passing by so quickly and Winter is upon us.

Use these must-do Fall/Winter maintenance tips to help keep your home in shape and help keep you warm this Winter. It's a perfect time for deep-cleaning chores and to wrap up outdoor lifestyle living.

- Inspect & clean gutters
- Change air filters (HVAC)
- Drain & winterize outside water spigots
- Clean debris out and away from outside drains and exterior stairwells
- Store hoses & lawn accessories
- Check smoke detectors and replace batteries
- Sweep porches, patios & walkways
- Wash windows
- Clean & store patio furniture, umbrellas & children's summer toys
- Beat & clean area rugs
- Dust light fixtures & decors
- Replace burned out light bulbs

Be sure to report all concerning maintenance issues promptly and if you have any questions regarding the above items, please let us know.
