1000 N RANDOLPH STREET #902

This 675 square-foot unit (largest IBR in the building) features 1 bedroom, 1 bath, 1 large garage parking space close to the elevator, extra garage storage, and floor to ceiling windows with a southern exposure (but no balcony). Upgrades abound: track lighting, bamboo floors, custom bedroom closet doors, two custom closets, upgraded bathroom tile/vanity, Hunter Douglas Luminette blinds, built-in speakers and stereo/component wiring. Additionally, the unit features stainless steel appliances, gas cooking/heat/hot water, granite counters, garbage disposer. The utility closet, outside the unit in the common hallway, houses the hot water heater and air handler, reducing noise and saving interior space. The unit A/C compressor is on the roof. The unit has also been freshly painted (no Volatile Organic Compounds). All utilities are the owner's responsibility. See the virtual tour (including 3D) at <http://tour.homevisit.com/view/215251>
